Tutoring Experience

For the past 10 years, I have guided students through A-Level and IB History, focusing on key historical topics like the Cold War, colonialism in Southeast Asia, and World War II. My expertise extends to IGCSE History, where I've helped learners achieve top grades by mastering historical analysis and writing skills.

In addition to private tutoring, I've worked with local schools in Malaysia to deliver in-depth lessons tailored to national and international curricula. Many of my students have gone on to study history and related disciplines at prestigious universities worldwide.
