 **A-Level Tutor | University of Malaya | BSc in Applied Mathematics**

I hold a BSc in Applied Mathematics from the University of Malaya. With 5 years of teaching experience, I specialise in A-Level Maths and have supported students through IB and IGCSE Maths as well. My background includes working with diverse students across Malaysia and internationally to achieve top results.

Teaches: A-Level Maths IB Maths IGCSE Maths

Curriculum: A-Level IB IGCSE

## Qualifications

**University of Malaya:** BSc in Applied Mathematics (2014–2018)

**Universiti Kebangsaan Malaysia:** MSc in Applied Mathematics (2018–2020)

## Vetted Tutor

## Personally Interviewed

Our tutors go through a rigorous selection process, having been interviewed to assess their teaching skills and subject knowledge. **They have extensive tutoring experience with a track record of success**, helping students achieve their academic goals.

## Tutoring Experience

Over the past 5 years, I've taught A-Level Maths to students aiming for success in highly competitive exams. My experience extends to supporting IB and IGCSE students, helping them develop a strong grasp of concepts like calculus, algebra, and probability.

In addition to private tutoring, I've worked with local schools in Malaysia to prepare students for exams using tailored curricula. My students have consistently improved their grades, securing admissions to prestigious institutions globally.
